Families

Pray for solid God-centered relationships among family members; that parents would be bold to instruct their children in God's way of living and lead their families to pray together; for families dismantled by divorce to be healed; that Christ's forgiveness would dissolve long-held anger.

Prayer Walk

Prayer walk as a family through your own neighborhood. Ask God to give you family-to-family prayers of blessing for two or three families.

In order to keep our prayer tree as current and effective as possible, please note that requests will remain on the list for a period of one month unless we are otherwise notified. Removal from the list does not remove these requests from our prayers. Thank you for joining the church family in this vital ministry and for your understanding.
