Pray for People in the Armed Forces

Pray for the gospel to spread through the special relationships of military life; for courage and protection in the danger of battle; for wisdom and the fear of the lord when military personnel are called upon to do the work of governing and enforcing law; for grace upon chaplains and other spiritual leaders' that God will fortify families stretched by numerous moves and separations.

Prayer Walk

Pray near a military base or establishment.

In order to keep our prayer tree as current and effective as possible, please note that requests will remain on the list for a period of one month unless we are otherwise notified. Removal from the list does not remove these requests from our prayers. Thank you for joining the church family in this vital ministry and for your understanding.
