Government Leaders

Pray for righteous wisdom, principled patience and gentleness. Pray that they will be examples of righteousness to our society; that they will experience God's wisdom in their deliberations; that they will speak and carry out dealings with truth; that they will not hinder the service and worship of Jesus Christ; that they will come to know, honor and follow Christ.

Prayer Walk

Visit a center of city, state or federal government.
Pray on or near the site. Leave a short note for a particular official which describes your prayers for God to bless them.

*To keep our prayer tree as current and effective as possible, please note that requests will remain on the list for a period of **one month** unless we are otherwise notified. Removal from the list does not remove these requests from our prayers. Prayer Requests can be added at: riverviewflumc.org.*
