**Those who Hunger to Know God**

Pray for the lost who are searching for God's grace in the wrong places. Pray for workers and witnesses, to help them receive the Love and power of the Holy Spirit in their lives.

**Prayer Walk**

As you walk, pray that situations and circumstances will be set in motion to cause those who are lost to turn to God and open their hearts and minds and for His Grace to fill them.

*In order to keep our prayer tree as current and effective as possible, please note that requests will remain on the list for a period of one month unless we are otherwise notified.*

*Removal from the list does not remove these requests from our prayers. Thank you for joining the church family in this vital ministry and for your understanding.*
