Pray for Law Enforcement

Pray for righteous wisdom, principled patience and gentle authority; for physical and emotional protection; strength and blessing for their families; that they will become agents of God's hand to resist evil and preserve and environment in which heaven's justice can increase.

Prayer Walk

Pray outside the nearest police station or court. Leave a short personal note for police leaders letting them know how you are praying for them today.

In order to keep our prayer tree as current and effective as possible, please note that requests will remain on the list for a period of one month unless we are otherwise notified. Removal from the list does not remove these requests from our prayers. Thank you for joining the church family in this vital ministry and for your understanding.
