Athletic Industry

Pray for those in support roles and those with higher profiles, that they will know Christ and fulfill God's calling in their lives. Pray that athletes would be good examples of dedication, commitment and courage; that they will live with integrity and carry out the responsibility of wealth and reputation; that God will reveal His calling and purpose for the students and coaches in college and university programs.

Prayer Walk

Pray on-site at the scene of an upcoming school, community, university or other sports event near you.

To keep our prayer tree as current and effective as possible, please note that requests will remain on the list for a period of one month unless we are otherwise notified. Removal from the list does not remove these requests from our prayers. Thank you for joining the church family in this vital ministry and for your understanding.
